

## Volunteer at SFEH

### We Need Volunteers !!!

You may serve our community and make a vital contribution to our efforts by becoming a volunteer. The service provided by volunteers supports us to spread our capability to the public at large and similarly delivers us dynamic support in program management and with the delivery of *socially useful and community development services*.

A volunteer's work may involve the following services:

1. Coordination Rural Eye Camps / workshops /Special events
2. Data Entry of records.
3. Corporate Social Responsibility
4. Fund raising
5. Social Useful and Community Development Activities

### How Do I Become A Volunteer?

If you are interested in volunteer activities, click here. If your interests and background match our needs, you will be invited to attend an orientation session. Volunteers must be at least 15 years of age.

However, for some activities, volunteers are required to be at least 18 years old.

Volunteers must make a commitment to work 2-3 hours a week for a minimum period of six months.
